

Arabian Calibration Devices Rep Co LLC
الشركة العربية لتصليح اجهزة قياس الضغط ذ.م.م شركة

*“ Quality Meets Precision
Experience Meets Efficiency
Business Meets Trust
And Requirement Meets Solution ”*

- *30+ years of excellence in Calibration*
- *85,000+ Calibrations per year*
- *Most modern facility with a built up area of 90,000 sq.ft*
- *Global presence with largest network in the GCC*

About Us

Arabian Calibration Dev. Rep. Co. LLC was established in 1995. Our state-of-the-art calibration laboratory is equipped with highly accurate master instrument. Our two decades aged Laboratory renders Quality Service in the fields of Calibration & Certification covering Electrical, Electronic, Temperature, Pressure, Mechanical, Flow, Force, Torque, Weight, Medical and Dimension instruments.

Our Services

Onsite & Lab Calibration Services

Clean Air Cabinets & Clean Room Validation Services

Authorized Repair & Service Centre

Onshore & Offshore Services

Technical Training Solutions

Supply of T & M Instruments

Rental of T & M Instruments

Technical Manpower Supply

Energy Meter Calibration Services
(Online & Offline)

Calibration management system

Our Expertise

Our calibration and repair laboratories in the UAE are the largest and most varied, boasting accreditation to both ISO 17025 and ISO 9001 standards. Moreover, we act as a central hub for rental and supply services, maintaining a robust presence not only in the UAE but also across GCC countries. With a track record of industry leadership spanning over three decades, we've catered to more than 12,000 businesses and conduct over 85,000 calibrations each year.

Arabcal performs comprehensive validation for all classes and types of Clean room/ biosafety cabinets strictly in accordance with international standards.

1. HEPA Filter integrity test
2. Particle count
3. Room air change (ACPH)
4. Light level
5. Sound level
6. Flow direction /Visualization
7. Differential Pressure
8. Temperature.
9. Relative Humidity.

ISO/IEC 17025 Highlights

- High Voltage instruments up to 200 KV
- Air, Liquid Flowmeter - Onsite/Offsite
- Energy Meter - Online/Offline
- RF Instruments/Oscilloscopes
- Torque Tester/Torque Tools
- PH/Turbidity/ORP/Conductivity Meter
- Sound, Vibration, UV/Lux Meter
- Gauge Blocks/Thread Inspection Gauges
- Gas Monitor/Analyzer
- Crimping Tool/Force Gauge
- ADTS/High Precision Pressure Calibrators
